

Table Basse

Our signature piece based on a mid 20th Century design, this handcrafted coffee table is made from brass, glass and wood.

Bespoke size, finish (brass can be patinated) and wood available on request.

H: 40cm
D: 80cm
W: 120cm

Bespoke Table Basse

The Table Basse has been shrunk to fit a small sitting area and it is a little jewel. Since the client requested a 50 by 80 cm size, the brass frame was reduced to 2cm from 3cm width to accommodate the smaller scale. Painted in red gloss paint, it is a great success and proof of the versatility of our signature piece. Another idea: instead of painting the base, cover it in velvet and use it as a display cabinet for objects...
